

**REMARKS**

This Amendment is filed in response to the Office Action dated November 27, 2001.

Claims 1, 2, 4-27, 30-41 are in the case.

Claims 28 and 29 were cancelled without prejudice in response to the Restriction Requirement.

Claims 30 and 31 were amended to better claim the invention.

Claims 34-41 were added to better claim the invention.

In response to the Restriction requirement, Group I was elected, and Claim 28 and Claim 29 of Group II were cancelled without prejudice.

The Terminal Disclaimer filed 7/12/01 was objected to. In response to this objection, a new Terminal Disclaimer is filed herewith, along with an accompanying Certification under 37 C.F.R. 3.73(b). The certification is believed to satisfy the objection.

All Independent claims are believed to be in condition for allowance.

All dependent claims are believed to be dependent from allowable independent claims, and therefore in condition for allowance.

Favorable action is respectfully solicited.

Please charge any additional fee occasioned by this paper to our Deposit Account

No. 03-1237.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "A. Sidney Johnston", written over a horizontal line.
